MEMORANDUM FOR: Project Director of Development and Procurement

SUBJECT : Modification of System #I

25X1A REFERENCE : Memorandum for Project Director from []
25X1A [] dated 8 August 1957 (SAPC 18229)

1. I have read over the referenced memorandum which seems satisfactory to me and is in accord with my recollection of my conversation with []

2. I am glad that the purpose of modifying several System I units for 50-100 mc/s is to permit their use as added components in System V and thus to extend the frequency coverage of System V.
